Thank you for expressing your interest in Aimee's catering services. In addition to our regular menu items, we offer a variety of choices to suit your personal tastes and entertaining needs. We also encourage you to make special requests. We will do our best to provide you with exactly what you want.

Aimee's Coffeehouse provides catering services in five different ways:

- 1) We prepare your meal so you can pick it up to take home and serve when needed. All hot food items will be ready for you in oven-ready containers. Salads and our fine baked goods are packaged to preserve freshness and appearance during travel.
- 2) We prepare and deliver your meal. All items are packed with the same care as above.
- 3) We deliver your prepared meal and provide set-up services. We can provide serving pieces or use yours if you wish.
- 4) Our full-service selection will make your event both successful and carefree. Services include everything from preparation and serving to clean-up, as well as any special requests you might have.
- 5) Aimee's is available for private parties on Saturday and Sunday evenings. Whatever the occasion, from a child's birthday to a fine wedding reception, Aimee's trained and courteous staff will provide individualized service in a uniquely intimate and festive setting.

Every client is important at Aimee's and every event is special. Our philosophy is that you deserve to have what you want, the way you want it. We believe that your event should reflect your own needs, tastes and personality. Toward that end, we welcome suggestions, encourage substitutions and solicit your special requests. With Aimee's you choose how and where your event is catered. We also offer payment options for different budgets and the opportunity to taste dishes prior to making your final selection. While we at Aimee's are proud to put our culinary expertise and individualized service at your disposal, we realize that ultimately it is your party and you deserve to have it your way. We desire nothing less than your experience should be as enjoyable for you as it is for your guests.
